This is our last newsletter until September!

June 7th-9th will be our Pack Family Campout! We will be meeting at Pine Grove Furnace State Park starting at 5 pm. To cover the cost of food we are asking for \$7 per person. Please pack any essential items you may need in addition to the essential list that will also be handed out to those who ask for it. Mess kits will not be needed, the pack will be providing plates, bowls, and flatware. You must bring a water bottle or other hikeable drinking reservoir! Food will be provided, please sign up for which menu choices you would like by visiting: <https://forms.office.com/r/78DgNKPXr5> . We are also asking for volunteers to assist with small tasks during the campout, there is a link at the end of the menu registration to sign up! There is a lake so pack items for swimming and fishing if you choose to take part. On Sunday we will be leaving roughly at 10 am AFTER we have checked our camp site for trash and forgotten items.

Leader Spotlight: Richard Teuscher, Cubmaster

Mr. Ricky was a scout in North Carolina for 11 years and, starting as a wolf scout, earned his Arrow of Light in 1996 and his Eagle rank in 2003. He logged 127 night of camping with his troop, went to the 2000 National Order of the Arrow conference at the University of Tennessee, the 2001 National Jamboree at Fort A.P. Hill, Virginia, and 2002 Pamlico Sea Base where he did a 4 day, 70 mile sea kayaking trip up the Outer Banks. After he graduated high school he joined the Army and was trained as a Chemical Operations Specialist and was assigned to the 3rd Infantry Division at Fort Stewart, Georgia, in a decontamination unit and from there was deployed to Baghdad, Iraq for almost 12 months. After getting out of the military he briefly moved back to North Carolina before deciding to be a nurse and moving his family from the Raleigh area to Manchester. He graduated from Carroll Community College in 2013 with his nursing degree and started working at the VA hospital in Baltimore. In 2016 he accomplished his goal of working in the operating room and has since become the service lead for urology. Mr. Ricky enjoys trying to fix just about everything in his house and his car, restoring his old truck, raising chickens and making rabbit jerky, sharing stories and knowledge with friends, and trying to keep Pack 320 the best Cub Scout Pack ever!
